

Kubota Service Special

Starting At \$249.95

Sound Investment Advice...

KEEP IT KUBOTA

You've invested in a Kubota. Wise Choice! Kubota products are recognized worldwide for their state-of-the-art engineering and design. Protect and maximize that investment by taking your Kubota to the factory-trained service technicians at your local Kubota dealership. From regular service maintenance to more advanced mechanical troubleshooting, Kubota factory-trained service experts have the tools, training, and expertise to keep your Kubota operating at peak performance. So while your Kubota may not require service very often, when it does—keep it Kubota!

The Kubota logo is displayed in a stylized, blue, lowercase font with a registered trademark symbol. The letters are bold and rounded, with a slight shadow effect.
